

## !! GOOD NEWS & THANK YOU !!

**Summer Coffee Shops** raised £160 for St Paul's development fund. Many thanks to all who supported these either as volunteers or by being customers. (*Daphne Ford*)

### **Performing Arts Project is growing**

Thank you to everyone who responded to the call for volunteers to help with the Performing Arts Project on Friday evenings. This makes it possible, not just to continue as before, but to add some new activities as well.

From October, we will be offering the opportunity to:

- learn about effective use of the spoken voice, leading to a drama at Christmas
- learn to be a sound technician
- learn about lighting

We'll also be serving food (pizzas etc) for a donation to cover cost.

The usual instrumental lessons will be continuing so if you are interested in learning an instrument (drums, keyboard, guitar, singing), please talk to us, or leave a message in the red message box in the Welcome Hall with your name and contact details, and say which instrument you are interested in learning. Lessons will start on Friday 20th September at St Paul's. (*Carol and Martyn Ofield*)

**The welcome service for Deacon Irene** on Thursday evening was a truly joyous occasion. The church was pretty well full with people from all five circuit churches. There was great singing by St Paul's young people and choir, as well as by the congregation, with some of our up and coming musicians playing along as well. We were privileged to have the Mayor and Mayoress of Crawley, Cllr and Mrs Raj Sharma, in the congregation recognising the part Irene will play in our community. Henry Smith, Crawley's MP, had been called to a meeting at 8pm but came along to meet Irene before the service and joined the congregation for as long as he could. The new District Chair, Rev David Hincliffe, preached an inspirational sermon then led the circuit staff, the Mayor and representatives from the community and other churches, in personally welcoming Irene and her children, Nathan and Petra.

Just about everyone stayed to enjoy refreshments together in happy fellowship. The Mayor and Mayoress, having been amongst the first to arrive, were almost the last to leave. With much laughter the Mayoress organised photos on her phone of the two of them with nearly everyone present to take away with her. This sort of happy meeting of Town and Church is something to pray about for the future as we work towards building our mission in the town. Thanks are due to the people who made this event work well; greeters, car park attendants, refreshment organisers, techies and musicians. Thanks to Ness for thoughtfully providing flowers and to Isaac, Jordan and Rhys for making access to the overflow parking area possible in spite of the skip not having been collected. Apologies if I've overlooked anyone.

If you'd like to hear David's sermon, you'll find it on St Paul's website [www.crawleymethodistchurch.org.uk](http://www.crawleymethodistchurch.org.uk) *(Joyce Jordan)*
